

WHY JOIN THE CORPORATE PARTNERS?

You want Hospice of Frederick County to always be there to care for you and your loved ones.

Chances are someday, you or someone you know will need the services of Hospice of Frederick County, including your co-workers, employees, and their families. When that time comes, you'll take comfort knowing that you contributed today to ensure that compassionate end-of-life care and bereavement services are there when you need them.

You want to make a difference in your community.

Your gift stays right here in Frederick, and your dollars are working to provide the continuation of hospice care, bereavement support, and heart-felt compassion to *anyone* in Frederick County.

You want to stand side-by-side with other community leaders.

When a local group of volunteers met in 1979, they started a tradition of community support that flourishes to this day. When you make a gift, you join many other businesses who have taken a stand to ensure that hospice care and support continues to be available to everyone.

Hospice of Frederick County has grown in size and scope by continually adding and expanding our no-cost bereavement program with support groups, workshops, education and grief camp for children, along with our Kline Hospice House that offers a home-like environment with 24-hour onsite caregivers. Nevertheless, our focus remains unchanged: to honor each person's journey through illness or grief with dignified care, compassionate support, and gentle guidance.

Charitable support always has, and always will, be vital to assuring that anyone in our community can receive hospice care and bereavement support, regardless of ability to pay.

Thank you for your support.
