1 Frederick Health Way

(Off Monocacy Blvd. Between Rt 26 and 15)

**Rain or Shine. Held indoors in case of inclement weather**

International Overdose Awareness Day (IOAD) is a global event held each year, around the world to raise awareness of overdose and stop the stigma of a drug related death. Exacerbated by the pandemic, the opioid epidemic and disease of substance use disorder has been on the rise in our community.

Please join the members of S.O.U.L., their families, and our partner agencies for the opening of the Frederick 2021 Outdoor Commemorative Photo Display with a public gathering of hope and remembrance of loved ones lost to substance use.

Everyone is invited to light a candle in honor of their loved one.

To submit photos of your loved one for the display (not required):
